

RESOLUTE PROJECT PROFESSIONALS (RPP) • SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS

ELECTRIFICATION & COMMISSIONING TECHNICAL SERVICES

THE RIGHT PROFESSIONAL. THE RIGHT PHASE. NO DELAY.

★ CORE TECHNICAL EXPERTISE

COMMISSIONING

- Commissioning Managers & Start-Up Leads
- Commissioning & QA/QC Engineers (Personnel Levels I-VI, Junior through Principal)
- Commissioning Assurance Managers / Owner's Representatives
- Commissioning Validators
- Commissioning Electrical Superintendents
- Energy Marshals & LOTO Authorities

PROTECTION, CONTROLS & SCADA/OT

- Protection & Controls Engineers
- Relay Technicians (SEL / GE / ABB)
- NETA Certified Technicians (Level II-IV)
- Substation Automation Engineers
- SCADA Engineers & Technicians
- ADMS/DERMS Integration Engineers
- Battery Management System (BMS) Engineers

ENGINEERING & GRID DELIVERY

- Electrical, Mechanical & Substation Engineers
- Transmission Line Engineers
- Substation Project Engineers
- Utility Interconnection Managers
- Grid Integration Program Managers

● STRATEGIC PROJECT ENVIRONMENTS

High Voltage Substations & T&D

Protection schemes, relay testing, energization sequencing

Grid Modernization Programs

ADMS, AMI, DER integration, substation automation

Renewable Generation & Energy Storage

Wind, solar, BESS, grid synchronization

Fossil & Nuclear Generation

Outage support, DCS integration, high-consequence commissioning

Large Load & Mission Critical

Hyperscale data centers, utility coordination, compressed timelines

Industrial Electrification

Manufacturing, processing facilities, high-voltage switchgear

Federal Infrastructure

Federal utility upgrades, cleared-capable professionals

MILCON Projects

USACE programs, veteran-led delivery, rapid mobilization

🚩 FEDERAL CREDENTIALS & REGISTRATION

CERTIFICATION
SBA Certified SDVOSB

PRIMARY NAICS
561320 • 561311 • 561312

UEI
YRLVHKQHRJK7

SECONDARY NAICS
561210 • 541618 • 541690

CAGE CODE
12SH6
